4 CHAIRPERSON BELL: Good afternoon

5 AUDIENCE: Good afternoon.

6 CHAIRPERSON BELL: I extend a warm welcome to
7 you for the weekly meeting of the Board of Police
8 Commission. I am your Chair, Willie Bell, and I say
9 warm reception because the room is a little chilly but
10 I know your heart is warm. So I want to welcome you
11 and we're going to move forward with the business at
12 hand.

13 I'm going to ask our Board Secretary
14 Mr. George Anthony to introduce the Commissioners for
15 roll call.

16 SECRETARY ANTHONY: Thank you, Mr. Chair.
17 For the record, George Anthony, Secretary to the Board.

12 Mr. Chair, you have a quorum of six
13 Commissioners.

14 CHAIRPERSON BELL: Thank you, sir. And I
15 would take the privilege to introducing or Deputy Chief
16 Renee Hall to my left.

17 D.C. HALL: Hello.

18 CHAIRPERSON BELL: Deputy Chief Hall, if you
19 would want to introduce your partial staff that would
20 be great at this time.

21 D.C. HALL: Okay. Good afternoon. Deputy
22 Chief Tina Tolliver from Budget and Finance, and then
23 we have from Domestic Violence, Sergeant Williams, we
24 have Officer Doha from Grants and Contracts, then we
25 have Officer Millhouse from Grants and Contracts, and

1 then Sergeant Franklin from Grants and Contracts. I
2 think that's everybody -- oh, I'm sorry.

3 MS. MOSS: Alia Moss, from Budget.

4 D.C. HALL: Okay. Alia Moss, from Budget and
5 Fiscal.

6 CHAIRPERSON BELL: We have two or three from
7 Budget?

8 D.C. HALL: Yes.

9 CHAIRPERSON BELL: Thank you. Good to see
10 you. It's always good to talk about money.

11 Mr. Secretary, Mr. Anthony, would you introduce the
12 staff of the Board of Police Commission, please?

13 SECRETARY ANTHONY: Thank you, sir.

14 Ms. Aliyah Sabre seated to my right is our Attorney to
15 the Board; Ms. Pamela Davis-Drake, seated in front is
16 our Chief Investigator, Sergeant Alan Quinn is our
17 recorder, and Ms. Elizabeth Koller from Hanson Court
18 Reporting Service is taking the transcript. That
19 completes the introductions.

20 CHAIRPERSON BELL: Thank you. At this time
21 we all need a prayer, so let us pray.

22 (Prayer.)

23 CHAIRPERSON BELL: Our first order of
24 business would be the approval of the agenda.
25 Commissioners, you have the agenda before you. What is

1 your pleasure?

2 COMMISSIONER MOORE: So move.

3 COMMISSIONER BYRD: Second.

4 CHAIRPERSON BELL: It's been properly moved
5 and second. Questions? All those in favor?

6 COMMISSIONERS: Aye.

7 CHAIRPERSON BELL: Those opposed? The motion
8 carried.

9 The next order of business will be the
10 minutes from Thursday, October the 9th, 2014. You had
11 an opportunity to review the minutes and what is your
12 pleasure?

13 COMMISSIONER MOORE: So move.

14 COMMISSIONER BYRD: Second.

15 CHAIRPERSON BELL: Are we ready for the
16 question? Those in favor?

17 COMMISSIONERS: Aye.

18 CHAIRPERSON BELL: Those opposed? Motion
19 carried.

20 I will reserve my brief remarks after we
21 perhaps go through a couple items on the agenda. I
22 think that we are prepared to address reports and I
23 think we have a preparation for, first of all, is that
24 Grants and Contracts?

25 D.C. HALL: Yes.

1 CHAIRPERSON BELL: Do you want to do your
2 report first?

3 D.C. HALL: I'll do my report right quick.
4 Through the Chair, I just want to report out that on
5 Tuesday of this week we have restored order in the
6 9th Precinct our nine/seven area which has been a
7 problematic area historically for us.

8 We're trying to trend down, seeing some
9 trends in the downward direction, but we still know we
10 need a lot of work. So we had 30 felony arrests, three
11 misdemeanor arrests, we have 51 grams of cocaine,
12 103 grams of heroin, 1,145 grams of marijuana, plus
13 95 grow plants which we got out of a house that had
14 just set up a grow operation, and we confiscated \$5,537
15 in currency. So it was a successful operation and
16 we're constantly working in that area and across the
17 City.

18 I believe we do have a separate grant DEDI,
19 Detroit Eastern District Initiative Grant and we are
20 working diligently with that one, as well. We have an
21 operation going today and I'll be able to report those
22 stats out on next week's Board Meeting.

23 Just going to the weekend we will be hosting
24 again our I think it's 57th Free Press Marathon on
25 Sunday. So we're expecting thousands and thousands,

1 about 27,000 runners, 60,000 spectators for the
2 marathon alone and then at the same time we'll be
3 preparing for the football game which is at 1:00 that
4 day, so another 60,000 plus for the football game. So
5 just an eventful day.

6 Detroit has a restricted day for our
7 resources to ensure that we are protecting the citizens
8 in the City as well as maintaining safety in the
9 Downtown area for the Free Press Marathon and the
10 football game. So that's what we're doing from a
11 Department standard for this week.

12 And right now we're going to have D.C.
13 Tolliver who's going to present for Grants and
14 Contracts, she's going to give you an overview of
15 Grants and Contracts Units.

16 D.C. TOLLIVER: Good afternoon.

17 COMMISSIONERS: Good afternoon.

18 D.C. TOLLIVER: I'm Second Deputy Chief Tina
19 Tolliver in charge of the Department's Budget and
20 Fiscal Operations. Today we will be providing an
21 overview of our Grants and Contracts Unit.

22 With me, as you've already met, we have some
23 of our great staff members who are part what I tell
24 everyone one of the best grant operations in the City.
25 We also have with us a member from the Office of Grants

1 Management Department that will be speaking to you as
2 well to discuss their role in the City's grant
3 processes.

4 This is our organizational structural for
5 Budget and Fiscal Operations. Under Fiscal Operations
6 we have Fiscal Administration, Centralized Time
7 Keeping, Accounting, Purchasing, and Accounts Payable,
8 then we also have Budget Operations, Payroll, and
9 Grants and Contracts.

10 Accounting works closely with our Finance
11 Department, Purchasing works closely with our
12 Purchasing Department and our accounts payable staff
13 works closely with the City's Accounts Payable
14 Division. The Budget Operations staff they work
15 closely with the City's Budget Department, and Payroll
16 and Grants and Contracts although they don't directly
17 report to or have to work with anyone in the City they
18 do a great job as well.

19 Grants and Contracts seeks, administers,
20 reviews and monitors the Department's various grants.
21 The unit also coordinates and monitors the Department's
22 contracts and memorandums of understanding. They
23 facilitate and process the various contracts which
24 include building leases, personal service contracts,
25 professional service contracts, intergovernmental

1 agreement and memorandums of understanding.

2 In addition, they also facilitate the
3 acceptance of donations, which can include cash,
4 equipment or other services. Some our grant sources
5 include other governmental entities, private
6 foundations and corporations.

7 And we've been fortunate enough to receive
8 funds to purchase technology, vehicles and equipment,
9 contractual services and also pay for salary overtime
10 and fringes for certain units.

11 The next slide includes a list of the current
12 grants we have. Most of these grants are multi-year
13 grants, okay, and these expenditures are through the
14 period of June 2014. The multi-year grants are
15 typically your JAG or your COPS grants. For those with
16 an expiration date of September 30, they are in the
17 process of being closed out and for some of them the
18 new grants have already begun.

19 Our team is currently working on
20 fourth-quarter reports. The total awards for these
21 grants is \$31.4 million with expenditures of
22 \$18.9 million through June 2014. If we take a look at
23 some of the grants, and I just want to explain a couple
24 because we do have some balances that you may have
25 questions about, the 2010, '11 and '12 JAG grants are

1 on track for our project timelines. We have recently
2 received extension approval from the Department of
3 Justice and approval of our project timeline. The 2013
4 grant has recently begun and the county got the
5 notification from the Department of Justice about the
6 award in late September 2013.

7 The 2011 COPS Grant, you may or may not
8 recall that during a particular year during the budget
9 development process the Department's budget was
10 decreased by \$8.3 million when we got to the City
11 Council stage. There were concerns at the time because
12 we had just hired new officers and they had only been
13 here a few months.

14 After negotiating with City Council,
15 \$6.3 million was restored which left the \$2 million
16 cut. We had received authorization or approval of the
17 awards from the COPS office near that same period; and
18 so the challenge was because we had to delete some
19 positions out of the budget and the concerns over
20 supplanting which is reducing your budget and then
21 replacing it with another grant, we had go to the
22 Department of Justice and ask for authorization to
23 switch from a new hire grant to a preventing layoff, so
24 there's like three categories.

25 Once they approved that we were able to keep

1 those members on board and they began in March of 2012
2 which was a six month delay. So that's a brief
3 explanation on the balances for that grant.

4 Some the other grants have balances just
5 because of timing issues. Although we may receive an
6 award in a particular year especially if the award
7 includes sub-recipients it can take a lot of time to
8 get those sub-recipients on board, get their contracts
9 together, get all the clearances from the DOJ, get it
10 through Council and at the time get it through the GM's
11 office.

12 Now, what I would like to do is I would ask
13 Deputy Director Lisa Jones from the Office of Grants
14 Management could come up now or if you'd like we can
15 proceed with your questions. Thank you.

16 CHAIRPERSON BELL: What is your pleasure,
17 Commissioners, proceed or pause for questions?

18 COMMISSIONERS: Proceed.

19 D.C. TOLLIVER: Thank you.

20 D.D. JONES: Good afternoon.

21 COMMISSIONERS: Good afternoon.

22 D.D. JONES: My name is Lisa Jones and I am
23 the Deputy Director for the Office of Grants Management
24 for the City of Detroit. As you can see in the
25 handouts provided we have a draft of the OGM's

1 organizational chart for our department. We are a
2 newly created department under the OCFO's structure.

3 And you'll also see a handout describing the
4 roles and responsibilities and the future state for the
5 City of Detroit which includes the Office of Grants
6 Management, Centralized Finance, and also the
7 departmental roles in Grants Management going forward.

8 So the OGM will be the centralized office
9 managing grants for the City of Detroit. The OGM's
10 core functions will be grants management, reporting and
11 compliance. We will be collaborating with the
12 recipient departments which will still set the budgets
13 for grant awards, administer and provide program
14 delivery for their grants on a daily basis and provide
15 data points for reporting to the OGM.

16 With the establishment of the OGM, the
17 department's role with regard to financial management
18 and grants will change. Still compliance is everyone's
19 job and OGM is here to provide support and training
20 around grants compliance.

21 Our goal is for the City of Detroit to have
22 zero audit findings on it's annual single audit report,
23 and our current priorities are to ensure that grants
24 are spent in a timely fashion and on allowable
25 expenditures.

1 In addition, it is our job to work with the
2 departments to help find additional grant funds for all
3 the recipient departments. So we're excited to be here
4 as a team. We're still in our implementation phase.
5 But thank you for allowing us to speak with you today.
6 And if you have any questions about the Office of
7 Grants Management and our role in the grants management
8 process I will be happy to answer those questions.

9 CHAIRPERSON BELL: Commissioners, questions,
10 concerns?

11 COMMISSIONER MOORE: Through the Chair, I
12 noticed it said, draft, on these copies. Are these
13 finalized or are these still in the draft mode?

14 D.D. JONES: They're more final than they
15 were when they were drafted. Again, because we're
16 still in the implementation phase and in case you are
17 unaware the Office of CFO is a undergoing
18 restructuring, as well, and the Office of Grants
19 Management is the first initiative to roll out of that
20 restructuring. So for the most part they're pretty
21 solid but they may change depending on what happens
22 with the OCFO's restructuring.

23 COMMISSIONER MOORE: Timeframe?

24 D.D. JONES: I think ours, the OGM's role
25 will be confirmed probably by the end of the calendar

1 year. The OCFO's restructuring initiative will go into
2 2015.

3 COMMISSIONER MOORE: Thank you.

4 CHAIRPERSON BELL: Yes, sir.

5 COMMISSIONER CRAWFORD: Through the Chair, I
6 had a question for Second Deputy Chief Tolliver, in
7 reference to these COPS grants, hiring grants.
8 Recently, I guess, four weeks ago there was something
9 from COPS coming out of Washington from the government
10 in terms of I guess they release some grant funding for
11 additional or I guess for 2014 or something like that.

12 D.C. TOLLIVER: I'm sorry, what is the
13 question?

14 COMMISSIONER CRAWFORD: Are you aware of that
15 or is there -- I know she had 2011 and '12 and '13.
16 Where are we today in terms of the number, the actual
17 number? Is it fifty or twenty or something like that,
18 money that's allocated under that grant to hire police
19 officers?

20 D.C. TOLLIVER: If we can just go back to the
21 sheet. If I recall, the 2009 was for fifty officers,
22 the 2011 was for twenty-five officers, and the 2013, I
23 believe that was for ten officers, ten or fifteen, and
24 we have recently submitted our request for the COPS
25 2014 and we're waiting to get some official word on

1 that.

2 COMMISSIONER CRAWFORD: Yes, because I do
3 recall when we were at the conference in Kansas City
4 there was an announcement coming from someone
5 representing COPS and also the federal government as to
6 a couple weeks later thereafter the conference it was
7 going to release of some funding for that.

8 D.C. TOLLIVER: Right. Typically because we
9 work so close with the Department or the COPS Office
10 we're notified when those grants opportunities are
11 coming up, so we're made aware of it well before the
12 application period.

13 COMMISSIONER CRAWFORD: Yes, ma'am. Okay.
14 Thank you.

15 D.C. TOLLIVER: Okay. Anything else from
16 your Honorable Body?

17 CHAIRPERSON BELL. Any other questions,
18 concerns? Thank you, ma'am, appreciate it.

19 D.C. TOLLIVER: Thank you.

20 CHAIRPERSON BELL: Deputy Chief Hall, could
21 you make recognition of other personnel that has joined
22 us?

23 D.C. HALL: Yes. We have Deputy Chief Celia
24 Washington who just came in and we have also Commander
25 Todd Bettison and Sergeant Perkins.

1 CHAIRPERSON BELL: Thank you. And to my left
2 is Commissioner Jessica Taylor, immediate past chair
3 has joined us five minutes ago.

4 COMMISSIONER TAYLOR: Thank you, sir.

5 CHAIRPERSON BELL: I didn't want to
6 interrupt.

7 D.C. HALL: Through the Chair, we have a
8 presentation from Domestic Violence.

9 CHAIRPERSON BELL: Yes, ma'am.

10 SGT. WILLIAMS: Good afternoon.

11 COMMISSIONERS: Good afternoon.

12 SGT. WILLIAMS: I am Sergeant Kyla Williams,
13 Officer in Charge of Domestic Violence, and thank you
14 for putting us on your agenda at such short notice.

15 About a month ago, I received an email from
16 someone who works at Verizon Wireless Corporation and
17 they have a special program where they support domestic
18 violence programs, and they wanted to provide the
19 Detroit Police Department through the Domestic Violence
20 Unit up to \$200,000 in funds for domestic violence
21 awareness, that would be training, equipment and
22 advocacy.

23 As of last night, it sort of kind changed
24 because they didn't want to have some type of conflict
25 of interest. Deputy Director Jones talked more with

1 Mr. Thomas from Verizon Wireless and she can speak to
2 that. But before we move forward we just wanted
3 approval to accept the funds. So I'll let Deputy
4 Director Jones inform you of her conversation with the
5 Verizon Wireless Foundation.

6 D.D. JONES: So I had a conversation
7 yesterday, and after further review the Verizon
8 Wireless Foundation thought it would be a conflict of
9 interest to award the funds directly to the City
10 because the City is a customer of Verizon and so they
11 are requesting to be able to funnel the money through
12 an external partner, perhaps the YWCA, but they are
13 open to whatever recommendations that we provide to
14 them.

15 They suggested the YWCA because they already
16 administer the Hope Line Project. And so he also
17 indicated that they would be able to then provide the
18 services that we provided in the proposal and that
19 includes training of about a hundred officers, also the
20 equipment and these survivor kits and the advocacy, as
21 well.

22 So in essence, DPD, the DV Unit would be able
23 to still carry out the activities as were initially
24 proposed but the money will run through an external
25 entity. So any questions about that?

1 COMMISSIONER BELL: Well, my first question,
2 I'm looking through -- do we have something on that
3 what you proposed, something in writing?

4 D.C. TOLLIVER: Mr. Thomas, with Verizon, he
5 only sent an email so I do have an email I can send
6 you. I have a copy of it here in my portfolio. I have
7 to reach out to him today and request a formal --
8 something formal in writing from Verizon, but I do have
9 the email sent from Mr. Thomas at Verizon to myself.

10 COMMISSIONER BELL: Well, in that case, I
11 don't think -- we can receive your report, but I don't
12 think we can take any action on it because we have
13 nothing formally for the Board to review and basically
14 have a discussion on it and respond to it.

15 I think that we are pleased in terms of you
16 moving in this direction. I know you have Plan B now.
17 But if you could forward that to us as soon as possible
18 then I think this Board can act on it at the next
19 meeting.

20 D.C. TOLLIVER: Okay.

21 CHAIRPERSON BELL: Would that be timely?

22 D.C. TOLLIVER: I will reach out to
23 Mr. Thomas as soon as I get back upstairs today.

24 CHAIRPERSON BELL: Okay. Yes, sir.

25 COMMISSIONER CRAWFORD: Yes, sir. Through

1 the Chair, also you talked about sending the money
2 through another entity, too, so we definitely would
3 have to have something in writing before we could vote
4 on that. I think it's a great thing. We need all the
5 money and everything that we can use in training to
6 deal with domestic violence.

7 CHAIRPERSON BELL: Okay. Thank you. I think
8 Deputy Chief Tolliver wants to speak to that issue,
9 too.

10 D.C. TOLLIVER: Thank you. Again, Second
11 Deputy Chief Tolliver. We're going to talk to the
12 Sergeant when we leave this meeting, but we want to
13 make sure we have our internal processes in place when
14 it comes to accepting funds for any projects. So we
15 will make sure that we do that and do our due diligence
16 before we commit the City to anything.

17 CHAIRPERSON BELL: I appreciate that. Okay.
18 Any other questions, concerns? Thank you. Getting
19 back to any questions concerning in reference to Deputy
20 Chief Hall's report, remarks, comments?

21 D.C. HALL: I do have one thing.

22 CHAIRPERSON BELL: Yes, ma'am.

23 D.C. HALL: I just want to announce we do
24 have another candidate graduation scheduled for
25 tomorrow. We have approximately 23 graduates,

1 23 graduates graduating from the Detroit Police Academy
2 tomorrow, 10:00 a.m.

3 CHAIRPERSON BELL: Where?

4 D.C. HALL: At Greater Grace in the chapel.
5 It's a smaller graduation this time, so it will be in
6 chapel.

7 CHAIRPERSON BELL: Okay. I plan on being
8 there. Perhaps other Commissioners will be joining us.
9 So we're looking forward to that. We had a chance to
10 interact with the class prior to while they were in the
11 academy, the Chief Investigator, the Board Secretary
12 and the Board Attorney, and we had a good hour
13 discussion, so that was very rewarding in terms of
14 enlightenment in reference to the Board, duties and
15 responsibility. Thank you.

16 D.C. HALL: We're looking forward to you guys
17 tomorrow.

18 CHAIRPERSON BELL: Are you sure?

19 D.C. HALL: Absolutely.

20 CHAIRPERSON BELL: Okay. Standing Committee
21 Reports, any Standing Committee Reports at this time?

22 COMMISSIONER CRAWFORD: Pardon me. Through
23 the Chair, for the personnel committee, I just have a
24 question pertaining to personnel to the Office of the
25 Chief Investigator, that's Officer Drake.

1 Two issues: One, in terms of the disposition
2 of the complaints that are filed, are the citizens
3 getting letters once the case has been closed and
4 there's a disposition?

5 C.I. DAVIS-DRAKE: Yes, they are. They
6 received it. It is not, though, within that 90-day
7 period of time. After the case is closed of course as
8 you know, Commissioner -- I'm sorry, for the record,
9 Pamela Davis-Drake, Chief Investigator, it has to go
10 through a process.

11 It has to go through the Board for review and
12 then it also has to go to the Office of the Chief for
13 review. Between the time that it actually gets back to
14 the Office of the Chief Investigator from the Board to
15 the time that it actually goes to the Chief's Office is
16 when we send out those letters, so that would be, the
17 Board has up to 45 days to review the case after that
18 90th day, so within that timeframe they do receive
19 letters.

20 COMMISSIONER CRAWFORD: Okay. Could you
21 check and make sure that all of them are sent out
22 because I got a call from one of my eastside
23 constituents. Also, too, I have a couple resumés here.
24 Where are we on the hiring or interviewing, I'm sorry,
25 the Investigators?

1 C.I. DAVIS-DRAKE: We just closed out the
2 application process. It is online. And in order to be
3 eligible, all applicants have to go online and complete
4 the application process and then upload their resumé,
5 and that ended this past Friday.

6 COMMISSIONER CRAWFORD: There was a timeline
7 for that?

8 C.I. DAVIS-DRAKE: There was a timeline, yes,
9 sir.

10 COMMISSIONER CRAWFORD: Okay. Thank you very
11 much.

12 C.I. DAVIS-DRAKE: You're quite welcome.

13 CHAIRPERSON BELL: Any other committee
14 reports? If not, we move to Item Number 11 as far as
15 New Business. And I just want to make you aware that
16 Commissioner Donnell White is not going to be with the
17 us the next 30 days. He's participating in a
18 fellowship program, the Marshall Memorial, the German
19 Marshall Fund of the United State of America. It's a
20 nonpartisan, nonprofit that works on strengthening
21 transatlantic cooperation on regional, national, global
22 challenges and opportunities in the spirit of the
23 Marshall Plan. Is this founded in 1982. There was an
24 elected process is terms of your resumé, interview.

25 So this is an excellent opportunity for

1 someone from Detroit, for someone who's involved with
2 Civil Rights and someone from the Board of Police
3 Commissioners to participate. So he's going to be
4 traveling in that international setting. We wish him
5 God speed, God blessing. And I think this for a young
6 person on the rise, and I'm looking forward for him
7 reporting back to the City and also to this Body in
8 terms of I think it's an honor and a privilege.

9 So I just want to commend him for an
10 undertaking of this nature because it's rather unique.
11 If you want to know more about Marshall Memorial
12 Fellowship, I'm pretty sure you can go online and you
13 get an overview in terms of the nature of this
14 particular involvement that Donnell White has
15 undertaken. So I just want to share with that you. So
16 let's give the brother a round of applause.

17 (Applause.)

18 CHAIRPERSON BELL: So I think we might get a
19 couple emails. I think he's leaving tomorrow.

20 As far as I just want to report out to
21 briefly in our last meeting we made an announcement
22 that we would have opportunity to meet with the Mayor,
23 Mayor Duggan, that took place on Tuesday morning.

24 I just going to give you some brief --
25 because I haven't had an opportunity to talk with the

1 Board members yet, I'll just give you some brief
2 oversight. I thought the meeting was healthy. I think
3 it was informative. The Mayor's only been in charge of
4 the Police Department a week and a half, maybe two
5 weeks, and I think he's met with Chief Craig, he's met
6 with us. We're looking for a closer alliance in terms
7 of communication gaps that is there.

8 But I think there are some strong differences
9 in reference to the Charter and we'll be weighing in on
10 that issue, so if we travel this path which is all
11 about what's good for the City of Detroit. I think
12 that's the role that this Commission has played
13 especially with the Charter changing in 2012 from
14 appointed to elected seven, that was a major change.

15 If we look at the issues that are facing us
16 in this county, for instance, tomorrow night at
17 Hartford Memorial Baptist Church they are holding the
18 Annual Social Justice Conference and the families of
19 Trayvon Martin and Michael Brown will be represented by
20 Attorney Benjamin Crump. This is an issue in the
21 forefront in reference to what has transpired.

22 So I know I will be in attendance at this
23 particular forum because it's somewhat timely. So when
24 we talk about overview and oversight, then we also have
25 to talk about the people.

1 I know what the powers that be want to be
2 always in terms of power, you know. But I know that
3 people spoke loud and clear in 2012 in terms of
4 changing that. I understand the judge ruling. So we
5 are moving forward to dealing with the issue.

6 I know the Mayor has the best interest of the
7 City, Council has the best interest of the City, but
8 this Board also has the best interest of the City.

9 When we look at oversight, as a former police
10 officer, I understand the pro and cons of police work
11 across this county because I was involved, and you look
12 at what's happening. Young people they have a whole
13 lot of concerns. They're not as patient as our
14 generation or my generation.

15 Give you instance, there was a forum in
16 Ferguson, last weekend they protested and the young
17 people turn it backed on NAACP and other Civil Rights
18 leaders because as you look at going back to Civil
19 Rights, not only in this country but it also took place
20 in South African, it's the young people that galvanized
21 to change the whole movement.

22 So we have to be very sensitive in terms of
23 police interaction with the community. If you don't
24 understand that then something -- as African American,
25 especially other minorities, you have to understand the

1 nature of policing in America historically. That's why
2 as a person who worked with this Department 32 years
3 and I advocated from day one because I witnessed in
4 terms of certain behavior and conduct. Overall we have
5 great Police Officers, we have a great Police Chief.

6 But as you well know back in 2002, Mayor
7 Archer called in the Justice Department in reference to
8 what was happening in the City of Detroit with the
9 Detroit Police Department.

10 And I looked at that in terms of where did we
11 go wrong with a predominant African American Police
12 Department, where did we go wrong with predominant
13 African American -- and consistently with a African
14 American Police Chief, but something went wrong and we
15 spent eleven years. And all the money that we spent we
16 could have been providing police service. But thank
17 God, we are a better Police Department now.

18 And there's some instance where people said
19 the Commissioners failed. I agree with you. They was
20 not due diligent. They were not due diligence. But
21 they were all appointees of the Mayor. All appointees
22 of the Mayor from '74 all the way up to last year, they
23 was all appointees of the Mayor.

24 So this is not the case in this day and age,
25 so that's why we are going to be engaging in terms of

1 bringing those issues out. This is an issue of public
2 safety in this country as we understand as it relates
3 to Police Departments across this country.

4 Detroit is not unique. You can be status
5 quo, stay status quo, but there's a movement, there's a
6 movement. Everybody's taping stuff, everybody's -- the
7 network is so fast now it's amazing and you just take
8 one spark. So that's why we must be engaging, we must
9 be concerned, we must be compassionate to make sure it
10 is not about the Police Chief. It is not about the
11 Mayor. It's about the people who want justice and
12 that's why they're standing up.

13 And so we have a role. And the people spoke.
14 So when you make those changes, I just want to caution
15 you that the people are aware and that movement is
16 moving. So we must be in-kind to address those
17 concerns. And that's what this Board is all about.
18 That is my understanding and that is my platform.

19 As long as I'm standing, I'm going to stand
20 up for the people in the City of Detroit and the people
21 in this county. So I just want to share that with you.
22 Thank you.

23 Any other New Business or Old Business?
24 Commissioners, any other comments? If not, we moved
25 right into Announcements. On Thursday, October the

1 23rd, the Board will meet right here at Headquarters,
2 Public Safety Building at 3:00.

3 Now, to the people we have in the audience it
4 is your opportunity to speak for two minutes, identify
5 yourself and be respectful, and we appreciate you
6 coming out.

7 MS. PANNELL: Good afternoon, Sharon Pannell.
8 I just want to know what time was that forum at
9 Hartford?

10 CHAIRPERSON BELL: It's at 5:30. If you get
11 there early at 5:00 they're providing pizza because
12 they're trying to encourage a whole lot of young people
13 to come out. The doors open at 5:00 for a pizza meal.
14 The panel's going to be 5:30, and at 6:30, I think
15 Attorney Benjamin Crump is speaking at 7:00.

16 MS. PANNELL: Do you know which sanctuary
17 it's going to be in?

18 CHAIRPERSON BELL: It's going to be in the
19 main sanctuary, ma'am. Thank you. Yes, sir.

20 MR. MAYFIELD: Good afternoon, my name is
21 Roscoe Mayfield. I am concerned about there was a news
22 story about the Police not responding to a lady's
23 request for police service. She had found a weapon.
24 And I don't know if the story is true or not. But she
25 showed the weapon on the news and that she has been for

1 six months trying to get the Police to come out to her
2 house to recover this weapon. She said she talked to
3 Police Officers to recover this weapon. They told her,
4 come in bring the weapon into the station and they
5 would recover it.

6 She didn't want to bring the weapon because
7 she felt that she would get stopped out there and get
8 arrested for carrying it.

9 CHAIRPERSON BELL: So this is a news story?

10 MR. MAYFIELD: Yes, sir.

11 CHAIRPERSON BELL: TV, radio?

12 MR. MAYFIELD: TV. They showed the weapon in
13 a plastic bag.

14 D.C. HALL: Through the Chair, I'm sorry, are
15 you finished? I didn't want to interrupt you.

16 MR. MAYFIELD: One more thing. I think the
17 Department is not providing enough service. I was
18 talking to an elderly lady at the Farmers Market and
19 she said the same thing, she had called for the police,
20 but I don't want to get into what she was concerned
21 about. She said she felt it was an emergency but they
22 never responded.

23 I think that the Police is -- and I think
24 that the Police Department is not providing enough
25 service to the citizens of the City, you know, things

1 like that. It looks bad for citizens and what happens
2 people start taking matters in their own hands and we
3 don't want to have that happen.

4 CHAIRPERSON BELL: Okay. Let the Deputy
5 Chief respond.

6 D.C. HALL: Through the Chair, there was some
7 investigation into that. Actually I had hands-on in
8 that. We found that we cannot find a time where she
9 called 911 for a police car, nor -- and there was also
10 the allegations that she went to a police station, she
11 could not remember which police station that she went
12 to and no one would take the gun from her. Could not
13 verify that at all.

14 Two nights ago when they broke the story and
15 gave me the information I sent a police unit over to
16 recover that weapon. That weapon has been recovered.

17 I just want to say everything that people
18 report in the news we have to remember that there is
19 sometimes no truth to it.

20 MR. MAYFIELD: That's why I made that
21 comment.

22 D.C. HALL: I'm not accusing her of anything
23 but we couldn't find where she had ever called the
24 Police. And I can assure you, I've been in law
25 enforcement for fifteen years and if someone brings a

1 gun to a police station and no one's going to take it
2 away from them, if they're trying to give it to us, it
3 doesn't even make sense.

4 So what I would say is that you're a retired
5 lieutenant. You know that the people on this Police
6 Department are some of the hardest working Police
7 Officers, Supervisors, this side of the Mississippi.
8 So we do a great job. Often times we don't always get
9 the reward from that, and not that we are looking for
10 it.

11 But I do you want you to know that we have
12 been diligent into looking into that problem and it was
13 rectified the second that she made the comment.

14 But as I said before, we could not verified
15 that she had ever called the police, nor has she
16 brought it because she couldn't even remember which
17 precinct, which station.

18 MR. MAYFIELD: -- there was a shooting.
19 Somebody got shot something and it could have been news
20 media. I know the news media they like to --

21 D.C. HALL: Sensationalize. If it bleeds
22 it's leads. We understand that. And right now that
23 weapon has been recovered and it's going to be tested
24 and if it's found to have been used in any crime, in
25 the commission of any crime we'll investigate that, as

1 well. So we are on top of it.

2 MR. MAYFIELD: Very good.

3 COMMISSIONER MOORE: How did that come in
4 contact with the Police Department? Did the media
5 contact the Police?

6 D.C. HALL: The media contacted our PIO.

7 CHAIRPERSON BELL: I agree with you, Deputy
8 Chief, but I disagree when you talk about west. We're
9 probably east of the Mississippi, too.

10 D.C. HALL: Yes, sir.

11 CHAIRPERSON BELL: We have the hardest
12 working Officers in City, in the State. And I just
13 know that the response time -- you can't give everybody
14 hundred percent, but overall it's drastically improved
15 because we are engaged and we are getting that type of
16 feedback. People are really pleased in terms of night
17 and day in terms of the police service in City of
18 Detroit.

19 D.C. HALL: Thank you.

20 CHAIRPERSON BELL: Okay. Any other comments?
21 Yes, sir.

22 MR. DEMOSKI: How are you? Good afternoon,
23 Board.

24 CHAIRPERSON BELL: Good afternoon, sir.

25 MR. DEMOSKI: My name is Sam Demoski. We're

1 a local company in the City of Detroit. Like I
2 mentioned to you two weeks ago, we're an equipment
3 supplier for the Police Department as far as
4 radio/video and installer. We've been servicing the
5 community of Detroit since 2008 on their police car
6 outfits.

7 And it's just a rumor. We mean no harm. The
8 Police Department of the City of Detroit is one of our
9 best customers. It's just a rumor that the City is
10 purchasing 110 Chargers and they may be going outside
11 the City to get this equipment installed.

12 And we're not sure, but in this case if this
13 happens it would be a devastating blow to our company.
14 We have two facilities located 8100 West McNichols,
15 3,600 square feet, the other facility is located across
16 the street from Mumford High School which is about
17 32,000 square feet.

18 The vehicles get housed within the City
19 within our closed in buildings. We've always
20 engineered great products for these cars, skids plates,
21 communication lockdown drawers, so on and so forth.

22 We came to you guys about two weeks ago.
23 Didn't get any explanation. We had a small meeting
24 with Deputy Chief White. He indicated that he'd get
25 back with us. No one has contacted us.

1 We need some explanations. And if there's
2 any wrongdoing or something -- as they may be looking
3 for we're here to take care of the needs. We're a
4 tax-based business. We're a taxpayer in the City. We
5 employ within the City and we live in the City.

6 So if there's anything you guys can do,
7 please check into it. It's rather important because
8 like anything if other communities can come to us,
9 thirty other communities, and we're good for them, I
10 think we should be able to work our difference with the
11 City of Detroit and move forward on these projects.
12 That's it.

13 CHAIRPERSON BELL: Sir, as you well know,
14 Assistant Chief White was here, he responded publicly
15 and I think he met with you privately. We do not have
16 any impact on that particular issue and I don't know
17 all the interworking how it works. You have every
18 right to speak to this Body in that two minutes for
19 those concerns. I'm hoping that you get some answers,
20 some type of relief.

21 But we have no bearing on that. But I hear
22 you. I'm pretty sure it's nothing -- you know, I think
23 Assistant Chief White was dealing with that issue. He
24 spoke clearly to that issue. Now, if you want to see
25 the Deputy Chief afterwards. But he has the authority

1 to responded to that.

2 And I don't know about lobbying as far, you
3 know, contracts with the Council and the powers that
4 be, but I would hope that you pursue those endeavors to
5 try to get some type of response. But this Body we
6 have no bearing on that. But you're always welcome to
7 say what you want to say in that two minutes. But I'm
8 hoping you get some type of satisfaction in terms of
9 your concern.

10 MR. DEMOSKI: I truly appreciate that a great
11 deal. I thank each and everyone of you. The other
12 thing is, tomorrow is the graduating class. We're only
13 two miles from that facility. You're always welcome to
14 come in and take a look at the great work that's
15 happening in our City.

16 We're a great supplier for other communities
17 like the Sheriff Department, Macomb, and others and
18 other. I just don't want to ramble. I'd love for you
19 guys to come in and take a look at a great job you have
20 within the City.

21 CHAIRPERSON BELL: Thank you, sir.

22 MR. DEMOSKI: Thank you, each any everyone of
23 you.

24 CHAIRPERSON BELL: Thank you. Okay. Thank
25 any other comments from the audience? Yes.

1 MS. CLEMENS: First time.

2 CHAIRPERSON BELL: Welcome, welcome.

3 MS. CLEMENS: I have a concern.

4 CHAIRPERSON BELL: Please give your name,
5 please.

6 MS. CLEMENS: Miss Adrian Clemens. I coming
7 here because well, today I heard about the domestic
8 violence and I've heard about the justice system, the
9 NAACP.

10 I'm here because I'm a single mom and I have
11 a son that's incarcerated. With the technology that we
12 have I want to know how is that no one is standing up
13 for a young man that's wrongfully incarcerated?

14 I want to know how is it that I have a son
15 that's been in prison for two and a half years already
16 with no DNA on a rape kit. That there's no -- within
17 that victim they have someone else's DNA in this case.
18 I have talked to too many people, the chief
19 investigator, everyone just tells me, good luck.

20 But my son has been in prison for two and a
21 half years. My mom, my sister, myself have been
22 medical issues because of this and we see that there's
23 no help with the technology that we have that my son is
24 incarcerated. And I have paperwork that clearly states
25 that there's no DNA to tie my son to this lady, but

1 there's someone else's DNA.

2 Not only that but how can he be in two places
3 at one time? If there's blood all over the place but
4 when the police picks him up it states that there's no
5 blood, there was no scars, no scratches. But the
6 alleged victim says that. He stated someone put
7 something in his drink.

8 This happened two years ago. I was on the
9 news two years ago. I'm hear to say it again that my
10 son was drugged, put in this alleged victim's bed. And
11 I have tried to talk to Chief of Police. Everyone just
12 says, good luck. But who's going to stand up for
13 people that's wrongfully incarcerated.

14 I seen on the news how they're trying to do
15 this thing about the rape kit that they haven't gotten
16 to yet but there's clearly rape kits. Well, my son's
17 case it clearly states that there is no DNA, that
18 there's someone's DNA. And there's no help.

19 CHAIRPERSON BELL: Yes, ma'am. You're
20 request is you're trying to get DNA processed for this
21 particular case with the prosecutor's office?

22 MS. CLEMENS: My question is how is it that,
23 how can it be done, how can -- it seems like the
24 prosecutors run the courtroom. I want to know how is
25 that someone or when someone is charged with rape how

1 is that they're incarcerated but there's clearly no DNA
2 and there is no -- on the rape kits when it says on the
3 rape kit it says there's no sign, there's no entry. I
4 want to know how can I pay a lawyer \$11,000 of my money
5 and I come to court and he says I want to be taken off
6 this case but he has no reason, but he says to the
7 judge, if they want to keep me, they're stupid. I have
8 never been so disrespected and --

9 CHAIRPERSON BELL: Okay, ma'am. I think we
10 get the point. I don't know any Commissioner want to
11 weigh in on it. But primarily I think that it's in the
12 realm you working through attorneys and with the
13 prosecutor's officer, whatever, I can't really legally
14 advise you. And I won't say, good luck. But I don't
15 know if anyone here could assist you in that endeavor
16 perhaps? Yes, ma'am.

17 D.C. HALL: See me afterwards, I'll have
18 someone to talk to you. Basically from a Department
19 standpoint all we do is we gather the evidence.
20 Obviously, this has been adjudicated in court of law
21 and a decision has been made. But see me afterwards
22 and we'll try and point you in the right direction.
23 I'm not going to guarantee you anything, but we'll
24 assist you, if we can.

25 MS. CLEMENS: And I might have gotten off on

1 the wrong foot because actually I wanted to start with
2 the Police Officers because I wanted to know what's the
3 job of the Chief of Police when they're over cases?

4 CHAIRPERSON BELL: Okay. Ma'am, why don't we
5 have -- comments.

6 COMMISSIONER CRAWFORD: Ma'am, also in terms
7 of you probably should start with the prosecutor's
8 office. But also, too, they're usually in every state
9 there's an innocence project. I don't know if you've
10 reached out to any of those. Okay. You may want to
11 look them up because they take on cases historically
12 across this country in terms of those who have perhaps
13 been wrongfully convicted and they do all kind work in
14 terms of DNA and they open up, they'll investigate a
15 case from their perspective.

16 MS. CLEMENS: With the technology we have,
17 how long are we going to allow people to spend five,
18 ten, fifteen years in prison and say, oh, we're sorry.

19 CHAIRPERSON BELL: Ma'am, we hear you. We
20 are concerned.

21 Any other comments from the audience at this
22 time? If not, we are at the point of adjourning. And
23 I just want to say that the next meeting's here on
24 October the 23rd, right here at Public Safety
25 Headquarters at 3:00 p.m.

1 And thank you for coming out this afternoon.
2 And I see another retired Lieutenant, Roy MacAlister in
3 our audience. Good to see you, sir.

4 MR. MACALISTER: Thank you, sir.

5 CHAIRPERSON BELL: Commissioners, what is
6 your pleasure in reference to adjournment?

7 COMMISSIONER BYRD: So move.

8 COMMISSIONER MOORE: Support.

9 CHAIRPERSON BELL: It's been properly moved
10 and supported. Those in favor?

11 COMMISSIONERS: Aye.

12 CHAIRPERSON BELL: Those opposed? Motion
13 carried. We are adjourned. Thank you and have a great
14 afternoon.
